

**RULES OF THE AUDIENCE AWARD
of the 21st edition of the SURVIVAL Art Review**

We would like to know our audience's opinion and establish an area of dialogue between the artists and the viewers of their works. We hope that the Audience Award will enable both us and the artists to better understand the venues where the Review is held and find out how the works featured in them are perceived. The competition is held during the 21st edition of SURVIVAL, which takes place in the Popowice Depot at ul. Legnicka 65A in Wrocław. The award is sponsored by the Mayor of Wrocław. During the Review – from 23 to 27 June 2023 – the visitors can vote for a work that they find most interesting. All you have to do is visit the exhibition and fill in the competition form, which will be available at the Review Information Point. The votes can be cast upon leaving the exhibition. The Audience Award will be given to an artist who will receive the biggest number of votes.
